October 9, 2003

Marlene H. Dortch, Secretary  
Federal Communications Commission  
445 12<sup>th</sup> Street, S.W.  
Washington, D.C. 20554

**Re: Ex parte meeting in ET Docket No. 00-258, Amendment of Part 2 of the Commission's Rules to Allocate Spectrum Below 3GHz for Advanced Services, and WT Docket No. 02-353, Service Rules for Advanced Wireless Services In the 1.6 GHz and 2.1 GHz Bands**

Dears Ms. Dortch:

This is to advise you that on October 8, 2003, Connie Durcsak, Senior Director, Government and Industry Affairs, PCIA The Wireless Infrastructure Association ("PCIA"); Jay Keithley, Director, Government Affairs, PCIA; and Eliot J. Greenwald of Swidler Berlin Shereff Friedman met with the following members of the Wireless Telecommunications Bureau: John Muleta, Chief; Cathy Seidel, Deputy Bureau Chief; David Furth, Associate Bureau Chief/Counsel; Jared Carlson, Deputy Chief, Policy Division; Jennifer Tomchin, Legal Advisor; and Marty Liebman in the Policy Division to discuss the need for a clearing house to facilitate relocation of licensees from the 2.1 GHz portion of the Advanced Wireless Services ("AWS") band and to provide for compliance with cost sharing rules associated with the location. Attached are copies of the presentation used in the meeting. I respectfully ask that copies of this letter and the attached presentation be included in the dockets referenced above. Thank you for your attention to this request.

Sincerely,

Jay Keithley  
Director, Government Affairs  
PCIA TheWirelessInfrastructureAssociation
